

FOR IMMEDIATE RELEASE -

Delta Liquid Energy Announces 3rd Annual Holiday Donation Drive Collecting Donations for Local Non-profits

PASO ROBLES, CALIF.- [Delta Liquid Energy](#), a fourth-generation, family-owned and operated propane marketing company headquartered in Paso Robles, is stepping up for the third year in a row to collect donations for those in need during the holiday season. Delta Liquid Energy will also be contributing donations to these organizations based on their needs. The drives will be starting November 1, 2020 and will continue until Monday, December 14, 2020 for donations of new, unwrapped toys for all ages, non-perishable food items, and monetary donations. This year, we are happy to contribute to the Toy Bank of Greater Paso Robles, the Community Action Partnership of Kern County, Friends of Tulare County, the Food Bank of Santa Barbara County, and the Salvation Army.

Each Delta Liquid Energy is locally operated. In the same spirit, all donations collected will go directly back into the communities they were collected in. In both 2018 and 2019, Delta Liquid Energy pledged \$5,000 company-wide to these organizations. This year we have committed to donating \$7,500 company-wide. Help us make that number grow by joining us and donating to your local neighbors in need!

For the year of 2020, in order to comply with the health and safety standards surrounding the coronavirus pandemic, we will be accepting donations in person **AND** shipped directly to our offices. Simply shop at your favorite online retailer and use our office as your shipping address. Grocery stores also offer online shopping and will hand deliver to the location of your choosing.
